

# **Great American Rain Barrel at 40% off – order now for pick up at the DPW June 15!**

***New Lynnfield program sells at \$89 – limited supply***

The Lynnfield Center Water District (LCWD) and the DPW are teaming to sell The Great American Rain Barrels to residents at a substantial savings – 40% off retail.

Residents can order and pay online on the Lynnfield program page at <https://www.greatamericanrainbarrel.com/community/> to select Lynnfield, rain barrel color and any attachments desired.

Order deadline is Sunday, June 2 midnight. Pick-up is Saturday, June 15 from 9-11am in the DPW Recycling Yard, 55 Summer Street (rear).

The rain barrel is 40" tall and 24" diameter, holds 60 gallons of water, weighs 20 pounds empty, and slides easily into the back seat of most 4 door sedans. It should be tied down for truck pick-up.

For more information - such as how to install, how to use, and helpful FAQ's are at <https://www.greatamericanrainbarrel.com/>. For any questions, please email The Great American Rain Barrel at [sales@tgarb.com](mailto:sales@tgarb.com) or contact Lynnfield Planning & Conservation (781) 334-9495.
